## GENERAL INFORMATION

PRICES. The prices in this catalog are the retail prices for a single plant. A 10% discount will be given on orders of 10 or more plants of the same size and variety. Larger quantities, specimens and specially selected stock subject to quotation.

BALLING AND BURLAPPING is included in the price of stock requiring same. If ordered on other material, or for summer planting of deciduous trees and shrubs, a slight extra charge is made.

DELIVERY. Free delivery will be made within a fifteen mile radius of our Nursery, on our regular trips. Special delivery, or delivery outside this area, will be charged at cost, depending on amount of order and trucking distance.

GUARANTEE. Except for Roses and Perennials we guarantee to replace without charge Nursery Grown Plant Material supplied from our Nursery and planted by us that dies from natural causes within one year after planting, provided this material has received normal care, and provided payments have been made promptly as arranged. This guarantee excludes fatalities from abnormal weather conditions or other conditions over which we have no control.

LANDSCAPE PLANNING AND CONSTRUCTION. We are equipped to give competent landscape advice and service on all types of work, and to carry out grading, construction and planting work on both large and small places. We are glad to give purely professional advice to, or prepare plans for, those who do not wish us to carry out their work. Charges are made for this service at reasonable rates.

PRICES AND LISTINGS in this catalog are subject to change without notice.
